ACADEMICS

My sincere congratulations to the class of 1983. In the very near future you will be receiving your LSHS diploma signifying the completion of your thirteen years of education. This is a fine achievement, one of which you can be very proud. It is my firm belief that with the help your parents and teachers have provided, and with the initiative you have developed throughout your years at Lockport Senior High School, you stand ready and should be anticipating the new experiences in your life that are soon to come.

I urge each of you to establish personal goals to build a continuum of success in whatever future endeavors you may choose. As you develop your life experiences, be flexible in your judgment, but use the knowledge you have gained to establish insight into how to best meet your personal objectives and maintain your obligations and responsibilities to society.

High school days perhaps end all too quickly. We hope that we at LSHS have provided you the confidence to "become all you are capable of being."

On behalf of the administration and staff at LSHS, I extend to you our best wishes for your future.

The class of 1983 had a fantastic year raising money, and we did so in many new and exciting ways. The two car washes we had in October kicked us off to a healthy start and the overwhelming participation was a major factor in raising the money we did. The various candy and candle sales were also very successful. The Holly Hop and the Valentines Day dances were also grand successes, again due to the great class.

The class members then anxiously looked forward to the prom and graduation.

We were a very enthusiastic, energetic group of individuals, a class of very diverse people, leaders of the future.

1st Row: Mr. Donovan, Advisor. 2nd Row: Joe DiPasquale, President; Bill Osis, Vice President; Kevin O'Grady, Treasurer; Tracy Schmidt, Secretary.

Hugh O'Brian Youth Foundation

The Hugh O'Brian Youth Foundation was established to award students demonstrating outstanding leadership ability. Being chosen to represent Lockport Senior High School at the New York State North seminar in Rochester was a great honor. There, with other sophomores from throughout Upstate New York, I learned about the workings of the American incentive system from both business and government leaders.

The highlight of the weekend was when I was chosen as the female representative from New York North to the International Leadership Seminar in Chicago last August. Over one-hundred other students from all over the world, spent the week talking with outstanding readers and celebrities such as Neil Young, Andrew McNally III (pres. of Rand McNally Publishing), David Horowitz, and Walter Payton. At the end of the stay we all said farewell, but I still will keep in touch with my family throughout the world.

I would like to express my sincerest appreciation to my many area sponsors, as well as to the Lockport faculty for nominating me for this honor.

AFS Exchange Students

Minna Marttila

Hi! My name is Minna and I am from Finland. Being in Lockport this year has really made a big difference in my life. I have had many new experiences. Living in Lockport, I have met many kinds of people who have been nice to me and have made my stay here very enjoyable. I have learned a lot about American life, people, and also about myself. While I stayed here I visited Boston, Maine, New York City and Syracuse. I was on the Varsity swim team and in Interfaith. I am also a member of the Ski Club. I wish to thank AFS and all my friends for helping me and for the chance to have this enjoyable year in Lockport.

Pedro Aponte

Hello! My name is Pedro. I would like to express everything I feel AFS did for me. I could not write all I have to say in these short lines, but I'll try. My one-year experience in the U.S.A., is to be written during my whole life, forever. AFS was a dream that became reality. It was a bunch of friends, each one having a big smile. It was to be involved in a community. It brought me self-confidence and maturity. AFS was an exchange of ideas with people all over the U.S.A. that feel and think the same as I do. All of them want something for the world to have: Peace.

Astrid Alvarez

Hello; everyone! My name is Astrid Alvarez. I am from Bogota, Colombia (South America). I am glad to be in Lockport Senior High, for I have had really new and nice experiences with the American people. I went to Wisconsin, Michigan, Canada, and to the places in New York. I'm happy that I have had so many opportunities to learn more about American culture; I can now see that there are many differences between U.S. and my country. I went to another school for my first semester, and while I was there I enjoyed many activities, such as the Varsity swimming team and the Varsity volleyball team. Since I have been here I have participated in Ski Club and this is one thing that I love very much — as much as hockey games. I would like to thank all my teachers, friends, my host family, and especially AFS for making my life easier in the U.S. When I leave Lockport I will take home many happy memories with me. I will be back for

Joseph Green

Spending the summer of 1982 as an AFS student in Mexico City, Mexico, was an experience I will never forget.

I stayed with the Arriaga family, which consisted of my parents, my brother Raul, now 22, brother Hugo, 21, brother Carlos, now 18, and sister Laura, now 16.

Because I had three years of Spanish prior to my trip, and also took a college accredited Spanish course in Mexico, language was not a real problem.

Highlights of my summer included visiting the ruins of the Toltecans Indians and the Aztec Indians, where I went pyramid climbing. I also spent five days touring Acapulco, Zihuatanejo, and Ixtapa with my brother Hugo and two of our friends.

The greatest part of my whole summer, however, was becoming a part of another family, and having them love me as they did. The relationships we formed will never be forgotten!

Que te vaya bien!

Girls' State

Jackie Johnston

I would like to extend my thanks and appreciation to the faculty of Lockport Senior High School and the Lockport American Legion Women's Auxiliary for selecting and sponsoring me as a representative to Empire Girls' State.

This educational program is a practical governmental course designed to develop in the young citizen a working knowledge of the structure of government. A mythical state was formed, one in which we elected officials from the local level and up to the state officials and governor.

I campaigned and delivered speeches many times throughout the week, and was fortunate enough to be elected as Assistant County Treasurer. Much excitement, political maneuvering, and learning took place during my stay at Empire Girls' State at Cazenovia College, and I just wish more young people had the opportunity to participate in such a worthwhile program.

Boys' State

Ken Paulin

I would like to extend my deepest gratitude to the members of the faculty at Lockport Senior High School and the American Legion for selecting me as their representative to the American Legion Boys' State.

Boys' State was an excellent learning experience that I will remember for the rest of my life.

For one week I had the chance to meet at Morrisville College with over 1,000 boys from across New York State. During the course of this week we participated in political caucuses, rallies, and elections. We also set up our own government at the county and state levels.

This experience gave me a feeling of pride in myself and my country, and it also taught me that our democratic system of government is the fairest because we all have a voice.

I would like to wish the best of luck to all future participants, and I hope that the American Legion will continue to sponsor this excellent program for many years to come.

Presidential Classroom

Matt Rinn

The Presidential Classroom for young Americans provides an intense study of United States government to selected senior high students through direct exposure and personal contact with institutions and leaders of the nation.

As an enriching, educational, and personal experience, the program seeks to create an awareness of the problems of modern democratic government, a greater understanding of American legislative, executive, and judicial processes, and a humanized appreciation of the political relationships that shape our system of government and the conduct of its affairs.

Student Council annually funds the participation for a student from L.S.H.S.

The NCIP Program is a community-based program designed to provide students with an opportunity to learn about and participate in the local community government process. The program also provides an opportunity for the student to develop the ability to recognize alternatives and make choices thereby encouraging participation in democratic society.

Students participating in the program are assigned as interns to a community organization and are required to attend legislative sessions, seminars, legislative committee meetings, and public hearings.

The program is administered through the Cooperative Extension of Niagara County and is funded by the Niagara County legislature, the Niagara County Youth Bureau, and Cornell University Community Development Funds.

Lions' Homecoming 1982

Lions' homecoming week was like no other! We began a five-day week with Sweatshirt Day, followed by Prep Day, Jersey Day, Hat Day, Pink Day, and the traditional Gold Day. At the end of the week we held a pep assembly to show our spirit and the girls we were cheering for. Kevin Murray and Breanna Smith were crowned Homecoming King and Queen. The seniors for a second year in a row won first place in the Fall decorations contest, but it was the juniors who seized first place in the float competition following the float parade. Saturday afternoon was unfortunate for our Lions football as they were defeated by Central Island 16-10. We still had a great time at the Homecoming Dance with the help of the 97 Rock-n Roll Machine.

It's Academic

Lockport's It's Academic Team, with Mrs. Gail Niparts as its advisor, was victorious in the WIVB program, racking up 410 points against Falconer and St. Mary's of Lancaster.

Appearing on camera for Lockport were Christopher Speck, Captain Matthew Rinn, and Thomas Landers.

Magazine Drive

This year's Magazine Drive, under the supervision of Mr. Wayne Ginty and Mr. Arthur Brown, raised \$9,310 dollars. This year's quota was based on the number of subscriptions sold instead of the amount of money sold. The school sales were led by senior Emily Storrs who sold forty-seven orders. Following close behind was junior Monica Lewis with forty-two orders.

The sophomore class led the other classes by selling 67% of its quota. The juniors sold 51% of their quota and the seniors fell just short of selling half of their quota.

The Canned Food Drive: A Supreme Sacrifice

Mr. Henry Stegman was the prime incentive for the very successful 1982 Canned Food Drive. With the National Honor Society as its sponsor, the high school brought in over 4,000 cans. This was the greatest total in the school's history. Living up to his promise to remove his beard if we raised 4,000 cans, Mr. Stegman was shaved by Mary Ann Baily and Julie Garbutt in front of the whole school on December 22. The students of this school earned the right to be proud.

JV FOOTBALL

This year's JV. football team finished the season with a record of three wins, four losses and one tie. In league games the team compiled a record of three wins and three losses. The Cubs finished in a tie for third place in Division III. After a slow start, which saw the team lose several close games, the Cubs played extremely well in the last four games of the season.

Offensively, the Cubs were sparked by the running of halfback Keith Dunker who rushed for almost 600 yards in only six games. Quarterback Rod Phillips came on strongly in the second half of the season, throwing for three touchdowns. Placekicker Mike Esposito gave the Cubs an added edge with booming kickoffs and consistent conversions after touchdowns.

Defensively, the team was led by linebacker Mike Godzisz and defensive end Paul Chaffin. The team allowed only two touchdowns in the second half of the season.

CROSS COUNTRY

The 1982 Cross Country teams experienced another successful year.

The Lockport girls, defending Section VI champions, returned nearly everyone from the '81 squad and were expected to do well. The lionesses romped through the NFL schedule with an 8-0 record to claim the league title, but were edged by a strong Clarence team, 52-55, to finish as the Section VI runner-up.

The Lockport girls were ranked as the No. 2 team in the WNY coaches poll at season's end.

Individually, Julie Mullaney, a junior, and Jackie Quirk, a sophomore, had excellent seasons. Mullaney was the NFL individual champion, the section VI runner-up, and placed 11th in the New York State Intersectionals. Quirk placed highly in several Invationals winning the NFL/N-O and Ken-Ton meets and placing fourth at the giant McQuaid Invitational in Rochester. Both girls earned all-western New York recognition at the conclusion of the season.

Other standouts were Chandra Miller, Andi Tilmann, Sue Harris, and Julie Watkins, All NFL First team selections; Liz Lampman, Lynne Crofts, and Sue Nannari, second team All NFL; Patty Peifer, Lori Hendricks, and Danelle Darroch were honorable mention picks.

Julie Watkins, Lynn Crofts, and Patty Peifer served as tri-captains for the year.

The Lockport boys were hard hit by graduation losses, but finished strongly to claim a spot in WNY's top ten. Lockport was rated No. 7 in the final coaches poll. Along the way, the Lions finished third in the NFL standings with a 7-2 mark and a better-than-expected third in the Sectional Championships. WNY Competition was very tough as league rival Niagara Falls became New York State's top-ranked team and the Section VI boys claimed the Intersectional crown.

Sophomore Don Peifer usually led the Lions and earned all NFL recognition. Dan Hayden, a junior, was a second team All NFL pick.

Jon DiMaggio, Todd James, Kevin Stinson, Chris Harris, and Aaron Gibbons rounded out Lockport's Sectional Team.

Ray Patenaude and Todd James served as Co-captains for the '82 season.

SPORTS

This team played with a lot of enthusiasm and dignity. They improved as the year passed and played their best games against division winners Kenimore East and Lewiston-Porter. The team only had four seniors with varsity experience, Kieth Twomey, Terry Wadsley, Jeff Benedict, and Mike Angelucci. The team was made up of twenty-four players, but a lack of game experience on the varsity level was detrimental to the team. All players participated in every game and had a lot of fun, although the won-loss record was not very bright. There will be many Juniors returning to the 1983 team that will make a very big difference in the team's record and post-season play.

Lockport scored 62 goals to 18. J.V. captains for the squad were Patrick Bickett and John Loars. Lockport's outstanding goalies were Dave Reid, Jeff Hetherly, and 8th grade star, Todd (Tippy) Fiegl

This year's Varsity golf team was crowned co-champs for the 1985 season. It was the first title in 15 years for the LSHS golfers and the first for coach Jack Ioannone. The team was paced by senior co-captain Bob Devine. Devine was named to the first team, a 1-star squad and qualified for the state finals in the spring. Co-captain Steve Broderick was named to second team, a 1-star squad. Devine, Broderick, Brian Tracy, Ken French and Ken Paulin, all starting seniors, will be missed next year.

Juniors Joe Bertino and Craig Lewis, along with freshman Steve Wakeman, and eighth grader Scott Leitch, all show high promise for being on the team next year.

The hockey Lions started where they left off last season, winning eighteen games before suffering a 6-3 loss to Lackawanna. Junior Terry Dixon played outstandingly and led the league in goals and points. The line of Tom Dockery, Jeff Moran, and Ron Morello was a terror to opponents for the past three seasons and will be greatly missed next season. Sophomore Mark Devine led the team in assists and will be a great asset for next year's squad, as will other Sophomores Mark Palmer, Rick Eberhardt, Dave Currie, and Danny Russell.

The first part of the paper is devoted to the study of the asymptotic behavior of the solution of the problem (1.1)–(1.3) as $\epsilon \rightarrow 0$. In the second part, the asymptotic expansion of the solution is constructed. In the third part, the asymptotic expansion of the solution is used to study the asymptotic behavior of the solution of the problem (1.1)–(1.3) as $\epsilon \rightarrow 0$.

With three games to go, the basketball Cubs have compiled a 7-8 overall record. The highlight of the season was placing second in the Lackawanna Christmas Tournament. The team showed improvement as the season progressed. Several of the players should make a strong contribution to the varsity squad over the next couple of years.

The 1982 Varsity Tennis squad made history last spring by becoming the only tennis team in the school's modern era to nab an NFL crown. The Jim Stillwell-coached Lions finished the year with a sparkling 13-1 record. Coach Stillwell's winning attitude was adopted by the Lion netters and saw them through to this fine record.

Stand-outs for the team include junior captain and 4-year letterman Dean Hueber, undefeated sophomore Greg Potempa (13-0), and Seniors Lee Batiste, Jeff Gibson, and Larry Pichey. Many returning netters will form a strong nucleus for the 1983 squad.

The Lady Lions once again had a fine season. An injury to junior Anne Conley was felt by the entire team because of her ability and leadership. Juniors Kelley Chase, an NFL all-star, and Pam Covey had fine seasons. Seniors Sally Quinones, Tracy Schmidt, and Lisa Strassel are all to be missed next year.

GIRLS' TRACK

Undeclared NFL

The Girls' Track squad continued its phenomenal success with yet a fifth straight undefeated season in NFI Competition. Outstanding for the girls team this season were Michelle Bulmer who set a school (36.7) and NFI (36.1) record in the shot put; Julie Mullancy, with a school record in the 800m (2:23.4), and Jackie Quirk with school records in the 1500m (4:54.5) and Mile (5:24.2). Jackie also represented Lockport in the State Meet in the 1500m.

Boys Varsity Track 1982 Undefeated NFL Champions

After many years of coming close, the 1982 team finally broke through to win the NFL championship

Instrumental in accomplishing this feat were many individuals, but outstanding among this group were Doug Lewandowski, with school records in the 1500m (4:00.1) and 1600m (4:17.2); Tim Toller with a school and NFL record 800m (1:55); Miles Patterson with a school record 200m (22.2); and Tom Arter and Kevin Harrison who, along with Tim and Miles, set a new standard in the 1600m relay of 3:21.5

Other outstanding accomplishments of the team were a first place finish in the prestigious Western New York Classic, a second place finish in the Rotary North Amherst Relays, and Relay wins at the Big "E" Relays

The 1982 Varsity Baseball team won its division with a 6-1 record. The team played in the quarter-final sectional game at West Seneca, placed second in the Lockport Tournament, and ended up with a 12-8 record. Three boys earned second team all-league: Dave Ames, pitching; Greg Bronson, first base; and Rich Kuntzman, outfield.

Next year's team should be strong; the entire pitching staff is returning: Dave Ames, Mike Ritz, John Wick, and Eric Turk. Also returning are catcher Bill Otis, junior Rob Levy will move from second base to shortstop.

Dave Ames and Ron Morello will play third base and, with a little help from our J.V. squad, we should have another good season.

SOFTBALL

The Lockport Girls Softball Team continued to improve, establishing credibility this year with a 6-win, 8-loss campaign. The leadership provided by graduating captains Beth Gerstung and Kim Loiacano will be sorely missed. Back for the Lady Lions are starting pitcher Julie Fiegl and hard-hitting Jeanne Pearl. The building of the team is complete and the future looks bright.

Congratulations

to

the Class of

'83

From the Class of 84

The Class of '83 Would Like to Thank Mr. Donovan for All of His Help

*Now we go our separate ways,
And say goodbye to by-gone days
Only memories remain,
Recalling all the joy and pain*

*We stood together for three great years,
We lived through laughter and lived through tears
And no matter how hard we try,
We'll never forget the days gone by*

*Now is not a time to cry,
It's time to spread our wings and fly,
To reach for goals that we have set,
And realize we will get them yet*

*And when we meet again in force
(And we will, we know, of course)
We'll all remember, we were called to be,
The Senior Class of '83*

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.

I can't believe this year
is over already! It went
by so fast. I'm really glad

more than to make a good
